 â€”Wendy Walker, bestselling author of All Is Not Forgotten and Emma in the Night  
 Emotionally guarded Daphne Amos always believed sheâ€™d found a kindred spirit in her fiancÃ©, Heath. Both very private people, theyâ€™ve kept their pasts hidden from the world, and each other, until Heathâ€™s escalating nightmares begin to put an undeniable strain on their relationship. Determined to give their impending marriage the best chance of succeeding, Heath insists that Daphne join him on a seven-day retreat with Dr. Matthew Cerny, a psychologist celebrated for getting to the root of repressed memories. Daphne reluctantly agreesâ€”even though the past is the last place she wants to go. The retreatâ€™s isolated and forbidding location increases her unease, as do the doctorâ€™s rules: they must relinquish their keys and phones, theyâ€™ll be monitored at all hours by hidden cameras, and theyâ€™re never to socialize with the other guests. One sleepless night, Daphne decides to leave her roomâ€”and only then does she realize that the institute is not at all what it seemsâ€”and that whateverâ€™s crying out from Heathâ€™s past isnâ€™t meant to be heard. Itâ€™s meant to be silenced. ...more
